Dear members,

Our sincere gratitude for your support and your donation to the Metropolitan Community Clinic Helliniko. We would like you to know that the medicines we received on the 6th of June 2017 from BIELLE SRL and which you have so generously offered to MCCH will be of great help to our patients.

From all of us, the volunteers of the clinic, actions such as yours are especially important as they encourage us in our difficult work, give us hope and it is good to know that people care.

Up to now MCCH has conducted more than 58,000 patients' visits, offered medicines and medical supplies to Public hospitals and other free clinics such as ours.

Your help and support give us the strength to carry on so that

“NO ONE IS ALONE IN THE CRISIS”

Kind regards,

Maritta Corley
